

Cameron, Clearfield, Elk, Jefferson, McKean & Potter

# 2012 Manufacturing Wage & Benefit Survey

**We Cordially Invite You to Participate in the Largest Wage and Benefit Survey to be Done Locally Within the North Central region.**

- > Want to justify your compensation levels to your board, boss or the public?
- > Do you know how competitive your company is?
- > Do you need an objective tool to compare compensation levels during contract negotiations?

## **Who Can Participate**

We are targeting all employers, large and small, in the Manufacturing Sector in the six counties of Cameron, Clearfield, Elk, Jefferson, McKean and Potter. Our mailing list will be prepared from our respective county employer consortiums and the manufacturing industry partnership. If not currently on our list, please call the contact number provided.

## **How Easy Is It**

Very Easy. The survey tool is done in survey monkey. You will receive an email link. Simply click and complete. You will like the ease of the multiple choice questions.

## **Timeframe**

Survey will be released Monday, January 2, 2012 with a respond date of Friday, January 15, 2012. Results will be tabulated the month of February and released March 1<sup>st</sup>.

## **Results**

Results are only available to those who participate and return the survey on time.

## **Confidentiality**

We will respect your privacy. Company specific data will not be shared.

## **Cost**

No charge. This is a North Central service to all employers who participate.
